What is the RD Executive Council?

Comprised exclusively of senior dietitians who actively work with Long Term Care providers, the RD Executive Council represents over 2,400 communities nationwide. Through their extensive research, numerous programs and partnership with the American Dietetic Association, the Council's mission is to improve the quality of food and nutrition among our older adults.

The RD Council has endorsed both the Pasadena and Verona dinnerware collections as meeting the requirements (capacity, handle type, rim size, and more) for Senior Living dinnerware.

Direct Supply understands the unique needs of Senior Living, and the Direct Supply® Maxwell Thomas® brand has been developed specifically for your communities. Rely on our industry-leading customer service and Senior Living expertise to help you find the perfect collections for any tabletop in any style.

From flatware to glassware and more, turn to Direct Supply Maxwell Thomas for quality, on-trend pieces featuring the Senior Living functionality you seek. Our tabletop collections follow the RD Executive Council's guidelines for products that best enhance nutrition for older adults. Find details on our new and exciting collections throughout these pages.

What are some of the guidelines that were developed?

- Attractive china designs support not only the appearance of a dining table but also provide functionality
- 9" plates fit in most existing heat-retention programs – no matter the brand
- Fruit bowls have a serving capacity of 4 ounces, meeting the serving recommendation of the RD Executive Council
- The 9 oz. grapefruit bowls have the ability to also serve as cereal or soup bowls
- Cups, mugs and bowls are lightweight for easier lifting
- Cups and mugs have ergonomic handles that allow two fingers to easily fit, which means an easy grip and better control

Verona Dinnerware

Perfect for casual or fine dining, your food presentation will pop on the Verona's stunning bright white color. Embossed rim showcases a dramatic spiral-textured design. Beyond aesthetics, Verona dinnerware was designed specifically for Senior Living with the proper weights, sizes and style to optimize the way older adults hold, eat and enjoy their food. Each piece is fully vitrified with a porcelain body. Cup is lightweight with an ergonomic handle. Fruit bowls have a 4 oz. serving capacity, meeting the serving recommendations of the RD Executive Council. 9 oz. grapefruit bowl functions as a soup and cereal bowl. 5-year chip warranty.
